

Continuing Education

Rt. Rev. Sir and Delegates:

For the year of 2011, the Continuing Education Committee consisted of The Revs. Cindy Howard, Russ Johnson and Ron Keel.

The Spring Continuing Education conference took place at Conception Abbey May 2 – 4, 2011, with Doug Pagitt, author of Church in the Inventive Age, as our presenter. Each participant received a copy of his book upon registering for the conference.

Thanks to Jon Yeager and Archbishop John McCann for their assistance for those clergy who were not planning to participate in the 3/\$350 program for 2011, to take advantage of a \$100 grant for participating in the conference. The total cost for participating was \$150 and with the grant, the majority of participants paid \$50!

The following clergy took advantage of the 3/\$350 program:

Mary Schrom Breese
Marshall Scott
John Pumphrey
Frederick Mann
Ronald Keel
Russell Johnson

Participating in a Continuing Educational Program:

Lauren Lyon

For 2012, it is my hope to enlarge the committee for a broader outlook in selection programs that will assist in leadership/spiritual growth for West Missouri clergy.

Respectfully submitted,

Russell W. Johnson, Jr.+
